

UNITARIAN UNIVERSALIST CHURCH OF BIRMINGHAM * ADULT VOLUNTEER FORM 2009-2010

Adult Name: _____ Phone: _____ E-mail: _____

Our Religious Education Program is truly a cooperative effort – everyone who’s got kids in the program is expected both to make financial contributions to the church (ideally through an annual pledge – contact Susan Cockrell at srcockrell@gmail.com to learn more about pledging) *and* to volunteer. The more involvement we have from parents and other kid-loving adults, the richer our program is for everyone!

Please indicate the areas where you are willing to help. Feel free to add your own ideas for volunteering in the blank spaces. If you have any questions, please contact Sharron Mendel Swain, Director of Religious Education (DRE) at dre@uucbham.org or 945-8109.

All jobs working directly with kids require submitting to a background check and following strict codes of ethics to keep everyone safe.

Note: PS means Preschool; MHS means Middle & High School.
