#2: Rosemary Grapefruit. Orange blossom honey, grapefruit juice, and just enough rosemary to give it a little edge. This was an experimental batch, and has been the mead most people say is my best yet!

#3: Mayan Gold. Mesquite honey, tamarind, ancho chiles, maple syrup, cinnamon, and vanilla.

#4: Moe. My first cyser (mead made with apple cider instead of water). This one also has Mexican vanilla. Don't ask how it got the name. :)

For example, if you have an old photo that is scratched, torn, stained, and/or discolored, I'll repair the damage, correct the color, etc. Or perhaps you have a photo that you would like to have "cosmetically enhanced" (pounds removed, wrinkles softened, etc.). Or perhaps you have several photos of an important occasion, and you'd like to "move" someone from one photo to another. To see samples of my retouching, go to:
