

The Empathy Project

Come hear our stories.

Join us for a performance of *The Empathy Project* which tells the experience of refugees moving across the world in search of safety, hope, and survival for their families and themselves. Feel what it must be like to leave your home due to forces outside your control, to leave everything you know and love behind, and to traverse unknown lands and seas in search of refuge.

The Empathy Project was written by Anne Ledvina, Associate Director of International Programs, Birmingham-Southern College.

7-8:30 pm, Saturday, March 11, 2017

Following the performance, please join us for a discussion and refreshments with the playwright, cast and crew.
